### **New for 2009 – 2010 Season**

This year District IV is starting a new Team Point Tournament designed to increase skater participation at local competitions. Most teams in the area attend the same events every season and rarely try a “new “ event. With more rinks joining ISI and hosting competitions it would be beneficial to all of us if our skaters attended more competitions. These skaters will return to their home rinks with pictures, medals and fun stories to share about their experience at a new competition.

The tournament will start with the first competition of the season and will end at the District Championships in Prince William on April 18. A District Trophy will be awarded to the team with the most points at the end of the season.

Each facility that hosts an ISI endorsed competition will designate one event as a tournament event. This event can be any individual event: Freestyle, Tots-Delta, Spotlights, Footwork, Artistic or Rhythmic. Each rink must choose a different event. By varying the event levels for the tournament, skaters from all age groups and levels will have a chance to participate.

There is no obligation to participate in the tournament and teams do not need to send a skater to every event in the District.

Every skater in the event will receive team points. The results of the tournament events will be sent to the District IV chairman after the competition.

\*Piney Orchard’s Tournament Event will be Artistic 5.
