## VOLUNTEER FORM 2010 – 2011 SKATING SEASON

In order for our Team to be successful, each family is encouraged to volunteer during the skating year to help with the Team activities. Without volunteers, many of the planned activities are not possible. Most people find it interesting and fun to get involved with the Team. You meet many people and learn a lot about the “behind the scenes” activities of the sport.

Please place a check next to the activities you are willing to help with. Your name will then be added to a list of members to be called.
